

6.2 (Summer 1994): NEW NATIVE AMERICAN WRITING

Joseph Bruchac, ed. *Returning the Gift: Poetry and Prose from the First North American Native Writer's Festival*

Published as by the University of Arizona Press as Volume 29 of their Sun Tracks series, this anthology contains work by more than 90 Native American writers. It was provided to SAIL subscribers through special arrangement with the National Endowment for the Arts and University of Arizona Press. Copyright concerns preclude our reproducing the text of this special SAIL issue online.
